2014 Urban Green Tour

Monday, August 11, 2014
9am-11am

(Affordable, energy efficient, and sustainable Inspiring Community Home)

(Urban Raingarden designed by the Ramsey Conservation District and Capitol Region Watershed District)

Hear about the City of St. Paul's **Inspiring Communities Program**, which is a unique program to strategically provide focused investment in neighborhoods most impacted by foreclosure and vacancy, with innovative and sustainable solutions.

The Ramsey Conservation District will highlight local projects funded by the **Clean Water Legacy Amendment** that are designed to protect and improve the water quality of the surrounding lakes and rivers.

Tour begins at the Ramsey County Court House:
15 W Kellogg Blvd.
St. Paul, MN 55102

North Entrance
On West 4th St.

Ride the train as staff from the Capitol Region Watershed District will highlight projects along the **Green Line** that are managing storm water, as well as bringing green space to the inner city.
